

HIPAA

RISK MANAGEMENT

Whether you are a healthcare provider or an entity doing business with one, the HIPAA Privacy Rules apply to you. These rules include an annual HIPAA Risk Analysis.

aNetworks, a local IT service provider offers comprehensive HIPAA IT assessment including:

- **HIPAA Risk Analysis**
- **HIPAA Management Plan**
- **HIPAA Policy and Procedures**
- **Evidence of HIPAA Compliance**
- **All Supporting Documentation**

HIPAA Risk Assessment Required:

- Hospitals
- Urgent Care Clinics
- Medical & Dental Offices
- Nursing Homes
- Behavioral Health Facilities
- Diagnostic Labs
- Pharmacies
- Law Firms

aNetworks has provided IT managed services in the greater Boston area since 1997. We are a HIPAA compliant Business Associate and a Microsoft Certified Partner.

Talk to your aNetworks sales consultant today to see if you qualify for a **FREE HIPAA Risk Assessment.**
